## Book Details:

*Review: A trek differs from a hiking or backpacking trip in that walkers go from one inn to another instead of one campground to the next. Treks are very popular in Europe and Asia, and are the best way to see much of the world, such as the Himilayas in Nepal. But, for the most part, treks are not that common in America. This is not because the United States...*

*Description: Europe is renowned for romantic inn-to-inn vacation opportunities on paths worn by centuries of travelers. Modern-day trekkers can hike the Alps or Southern France, explore the British Isles at three miles an hour, or pilgrimage through Northern Spain to Santiago de Compostela, stopping each night at a hostel or inn. Now adventurers in California are...*
